

HALEY JAMES

ADVOCATE | DESIGNER | SPEAKER | PODCAST HOST | ACTIVIST

 @itshaleyjames_

Haley James is a dynamic speaker, advocate, activist & 4x CEO/founder whose journey from battling serious chronic and rare illnesses to thriving in a life filled with passion, purpose & positive impact has shaped her mission to inspire, empower & equip others to do the same. She speaks about transforming personal struggles into strength through her proven formula of pain→ passion, purpose, and positive impact.

Her work spans across various platforms, including podcasts, YouTube channels, multiple business ventures, a non-profit and public speaking engagements, where she passionately addresses topics like resilience, chronic illness advocacy & activism, and living a passionate, purpose-filled and positive impact producing life you truly will love!
